Regarding Case Number: 2018031601

Dear Ice Hockey Club:

On Thursday, September 20, 2018, you were found responsible for violating the following University Conduct Rule(s) and Regulation(s):

Student Organizational Conduct - Unregistered Event (2nd Offense)

As a result, you are sanctioned the following:

All club allocations will be frozen and the Ice Hockey Club will not have access to those funds until these items are completed.

Ice Hockey Club leaders will schedule a meeting with a staff person at the Office of Leadership and Advocacy. The purpose of this meeting is so that the Club leadership can better understand the registration process and the risk management issues related to the registration of events.

Second, the Ice Hockey Club leaders will schedule a meeting with the entire club. The time and location of this meeting must be approved by Amanda Alpert, Assistant Director of Campus Recreation for Intramural Sports. After the meeting, Club leadership will be responsible for providing Assistant Director Alpert the sign-in sheet (with each member's signature) for the meeting, along with a summary or outline of the meeting. Alpert may also request or require a staff person to be present during the meeting.

Finally, Club leadership will be responsible for scheduling a meeting with the Office of Leadership and Advocacy. The date should be secured as soon as possible to select a time to meet once the new Ice Hockey Club leadership is put into place.

Once these three items are completed, the Ice Hockey Club will have access to their funds.

If you wish to dispute any of these sanctions, or if the summary of this email differs from your

recollection, you must contact me via email within 48 hours. Students who do not complete sanctions within the time frame required are subject to additional conduct charges such as a fine of \$150 from the Office of Conflict Resolution and Student Conduct. (See the Educational Sanction Non-Compliance and Monitoring Policy in the M Book)

I hope that this has been an educational experience for you and that even while you may disagree with the outcome, you experienced an equitable process in alignment with our community values identified in the Creed. If you have questions concerning the decision, sanctions, or appeal process, please feel free to contact me at [studentconduct@olemiss.edu](mailto:studentconduct@olemiss.edu).

Sincerely,

Tracy Murry
